## EPICS Deployment at Fermilab

*Wednesday, April 26, 2023 3:06 PM (5 minutes)*

Fermilab has not been a traditional EPICS house, though there have been and still are some instances on site. We have now deployed an infrastructure designed to simplify, non-expert building of EPICS applications, both IOCs and user applications using a CI/CD pipeline. The status of this EPICS deployment at Fermilab will be summarized.

### **Please select if talk will be in person or on zoom**

In person

**Primary author:** Dr HANLET, Pierrick (Fermilab)

**Presenter:** Dr HANLET, Pierrick (Fermilab)

**Session Classification:** Plenary Session: Lightning Talks

**Track Classification:** Project Status Report
