

Login to justIN dashboard

Login explanation

justIN login

You can use the button below to login in the justIN dashboard. Your web browser will be directed to the CILogon website (screenshot to the left) and asked to select an identity provider. Currently only the Fermilab SSO is enabled for DUNE. The Log On button will then take you to Fermilab where you can authenticate with your Services username and password. (Screenshot to right.) Once you have successfully authenticated you will be directed back to the justIN dashboard, with your Fermilab eduPersonPrincipalName now displayed on the top right of each page. justIN uses this name as your user name.

CILogon WAYF page

The screenshot shows a web browser window with the URL `cilogon.org`. The page features the CILogon logo and a green header bar. The main content is a consent dialog titled "Consent to Attribute Release" with a dropdown arrow. The dialog text states: "dune-justin requests access to the following information. If you do not approve this request, do not proceed." Below this is a bulleted list of requested information: "Your CILogon user identifier", "Your name", and "Your username and affiliation from your identity provider".

Below the consent dialog is a "Select an Identity Provider" section. It contains a dropdown menu with "Fermi National Accelerator Laboratory" selected, a "Remember this selection" checkbox, and a "Log On" button. A note at the bottom of this section reads: "By selecting 'Log On', you agree to the [privacy policy](#)."

At the bottom of the page, there is a footer with the following text: "For questions about this site, please see the [FAQs](#) or send email to help@cilogon.org. Know your responsibilities for using the CILogon Service. See [acknowledgements](#) of support for this site."

View your session info

The screenshot shows a web browser window with the URL `justin.dune.hep.ac.uk`. The page header includes the **justIN** logo and a navigation menu with links for **Dashboard**, **Requests**, **Jobs**, **AWT**, **Sites**, **Storages**, and **Docs**. The user's email address, `amcnab@fnal.gov`, is displayed in the top right corner.

The main content area displays the user's session information:

User amcnab@fnal.gov

Your current session

User name	amcnab@fnal.gov
Groups	/dune /dune/production
Valid	2023-02-13 09:45:39 to 2023-02-14 09:45:39

A blue bar at the bottom of the page indicates the current time: **justIN time now: 2023-02-13 09:49:50 UTC**

Groups added to Rucio scopes

The screenshot shows the justIN web interface. The browser address bar displays 'justin.dune.hep.ac.uk'. The navigation menu includes 'Dashboard', 'Requests', 'Jobs', 'AWT', 'Sites', 'Storages', 'Docs', and a user profile 'amcnab@fnal.gov'. The main content area is titled 'Scopes' and contains a table with two columns: 'Scope' and 'Write if in group'.
