

## All Engineers Retreat

Contribution ID: 4

Type: **not specified**

# Spot Robot Presentation

*Monday, 20 February 2023 13:00 (1 hour)*

This presentation covers work the Robotics Initiative has achieved in the past year in partnership with our Fermilab colleagues and University students. A live demo of the Spot robot showcasing new personal protective equipment and a radiation-mapping payload will conclude the presentation. This All Engineers Retreat presentation is hybrid.
