

BNB: 9AM Meeting

- Fri Feb 24th: Unexpected smell in MI12 service building: [elog234172](#)
 - Mothballs are being used to deter rodents from chewing on fiber optics cables
 - Thanks to ISD, Ops, Fire Department, ISD, & Networking
- Mon Feb 27th, Tue Feb 28th, & Thu Mar 2nd: Continue target BPM testing: [elog234353](#), [elog234444](#), & [elog234631](#)
 - Thanks to Instrumentation, Ops, & MI.
- Tue Feb 28th & Wed Mar 1st: Autotune not getting BPM data: [elog234449](#) & [elog234546](#)
 - Problem with consolidator
 - Also changed autotune to use hard event with substitution instead of soft event for BPM data
 - Thanks to Controls, Ops, & MI
