Neutrinos: SBND (part 2) - One West (16:15 - 17:30)

time	[id] title	presenter
16:15	[14] What Physics Can We Learn about in SBND from its "Prehistoric Era"?	LI, Jiaoyang
16:30	[16] Heavy Neutral Lepton Searches at the Short Baseline Near Detector	NGUYEN, Vu Chi Lan
16:45	[23] Sterile Neutrino Oscillation Searches using the VALOR Fitting Framework at SBN	SLATER, Beth
17:00	[15] Neutrino Electron Scattering for Flux Constraint on SBND	CARLSON, Brinden
17:15	[17] The UV Laser Calibration System for measuring the electric field in the SBND detector	MULLERIA BABU, Shivaraj
