Status and Outlook of Advanced Accelerator Concepts Research in Europe [BALLROOM]

Monday, 22 July 2024 10:00 (30 minutes)

European research groups and institutions, often working in close collaboration with others from around the world, work on all aspects of advanced accelerator research.

In this talk I will give an overview of research efforts in Europe, highlight recent key results, and indicate anticipated future directions.

Working group

invited speaker

Primary author: HOOKER, Simon (University of Oxford)

Presenter: HOOKER, Simon (University of Oxford)
