MEALS

There are many restaurants in the area serving food of different styles and at different prices. Many restaurants work by the weight system where you are charged based on the amount (measured in grams) of food you get from a buffet. Many operate as a flat fee buffet and others have a menu service. A meal may go from less than BRL 30.00 in simple restaurants to around BRL 90.00 in more elaborated places. Good meals can be found in the BRL 40.00 to BRL 50.00 range. In all cases add extra for drinks. Many restaurants add a 10% service fee. Otherwise a customary 10% may voluntarily be paid to the server.

[Shopping Cidade de São Paulo](#) is just a 5 minute walk from the venue and offers many restaurants. [MUG](#) is a very nice coffeeshop right at the venue complex that offers many eating options.
