

Visitor Access Process

- 1) Upon arrival, **present the QR code at the security gate along with a Real ID.**
- 2) Proceed to the Aspen East Welcome and Access Center for visitor processing *on your first day of arrival only.*
- 3) Proceed to Wilson Hall (WH) for registration.

Contacts

- 1) Point of Contact, Sergey Belomestnykh cell: 607.279.2868
- 2) Admin, Tammy Gloss cell: 630.234.9675
- 3) Need help or have questions? Contact tgloss@fnal.gov or sbelomes@fnal.gov

Directions to Fermilab

- 1) Fermilab's two entrances are located at the intersections of Kirk Road/Pine Street and near Batavia Road/Rt 59 in Batavia, Illinois. Security gates are located at [both entrances](#). For faster processing, *it is strongly recommended that visitors arrive at the Batavia Road/Rt 59 entrance on their first day of arrival only.*
- 2) Search Aspen East Welcome and Access Center in any [navigation app](#).
- 3) Search Wilson Hall in any [navigation app](#).

Real ID Requirement

- 1) Visitors **must present a Real ID at the security gate.**
- 2) [Acceptable documents](#).

Foreign Visitors

- 1) I-94 reminder: If you are traveling on ESTA (Visa Waiver program) or using a B-1/B-2 Visa, Fermilab requires they enter as a **business visitor** (WB or B-1), not a tourist (WT or B-2), to come onsite. Please make sure that you get the correct Visa at the U.S. border passport control.
- 2) Upon receipt of your I-94 when arriving in the US, please [upload](#) it into Workday.

Rideshare

- 1) If needed, contact evelynn@fnal.gov to coordinate rideshare service Campus Access.
