news

- Calorimetry conference is announced 20-24 May Tsukuba Japan.
<https://indico.cern.ch/event/1339557/>. Who is going? Can we submit an abstract?
- There will be a CalVision talk at the FCC meeting in Annecy week of 29 Jan. Is anybody but me going? If not, I can give this talk.
- DRD6 zoom meeting January 10 at 3.30pm. Who is going?
- DRD6 meeting at CERN 9-11 April. Who can go?
- DESY test beam is the week of 22 April. You may want a dorm room:
<https://welcome-services.desy.de/e17/e202>
- Talk to Marco Lucchini about a CERN test beam. See attached CERN request.
- Progress report was submitted.
