

# BEACH 2024: XV International Conference on Beauty, Charm, Hyperons in Hadronic Interactions

## Monday, 3 June 2024

### Session 2 (14:00 - 18:00)

-Conveners: Jake Bennett

time	[id] title	presenter
14:00	[44] Hadronic Molecule Effective Field Theory for $T_{cc}^+$	MEHEN, Thomas
14:30	[61] Studying the interaction between charm and light-flavor mesons	BATTISTINI, Daniel
15:00	[19] Cross-sections of $e^+e^-$ annihilation into open or hidden charm states	KHACHATRYAN, Vladimir
15:30	Break	
16:00	[27] Theoretical Perspectives on Lepton Flavor Violation	HEECK, Julian
16:30	[46] The Mu2e Experiment: A Charged Lepton Flavor Violation (CLFV) Search	WU, Yongyi
17:00	[23] Search for charged lepton flavor violation at BESIII	YU, Xudong
