

# BEACH 2024: XV International Conference on Beauty, Charm, Hyperons in Hadronic Interactions

## Thursday, 6 June 2024

### Session 7 (14:00 - 18:00)

time	[id] title	presenter
14:00	[48] Theoretical Advances in g-2 (lattice)	LAHERT, Shaun
14:30	[33] Precision Measurement of the Muon Magnetic Moment Anomaly at the Fermilab Muon g-2 Experiment	WU, Yongyi
15:00	[37] New BABAR studies of high-order radiation and the new landscape of data-driven hadronic vacuum polarization predictions of the muon g-2	VASSEUR, Georges
15:30	Break	
16:00	[43] Status of the The Muon Scattering Experiment (MUSE) at PSI	REID, Haley
16:30	[40] Instrumental uncertainties in radiative corrections for the MUSE experiment	STRAUCH, Steffen
