

PHOTON DETECTION CONSORTIUM MEETING

December 12th, 2023

Collaboration meeting

- We will have the general CM on the week of 22-26 of January at CERN;
- Need to ask for parallel sessions;
- Do we want to change our format? Give space to younger students/researchers?

PDC Executive Board

- We are forming an executive board of the Consortium to address the missing critical decisions;
- PDC EB will be formed by: Dave W., Peter, Flavio, Inés, Francesco T. and Ettore
- The EB will meet be-weekly tentatively.

Today meeting

- Updates from technical coordination (Dave W.)
- Updates on Megacell test at CIEMAT (Clara);
- Updates on Megacell test in Naples (Francesco D.C.);
- DPHNE updates (Deywis/Dave C.)
