

## Intensity Frontier Workshop

Contribution ID: 47

Type: **not specified**

### Panel Discussion: Neutrino Theory Needs

*Thursday, 25 April 2013 16:00 (1 hour)*

- What is the role of neutrino theory?
- What are the most pressing questions for neutrino theory today?
- What should be the size of the neutrino community?
- If we need to grow the neutrino theory community, how can we do it?

**Presenters:** Prof. BALANTEKIN, Baha (University of Wisconsin); Dr LEE, Harry (Argonne National Lab); Prof. GALLAGHER, Hugh (Tufts University); Prof. LINK, Jonathan Link (Virginia Tech); MORFIN, Jorge G. (Fermilab); BABU, K.S. (Oklahoma State University); Prof. HUBER, Patrick (Virginia Tech)

**Session Classification:** IF3: Neutrinos
