# Trigger Integration Plan

Carlos G. Benítez, Anselmo Cervera, Jose Soto, Manuel Arroyave

2024/02/08

Plan for this integration

- Use the value from 0x7 from the T-I as a trigger.
- Minimal modifications to Jamieson's code.
- Validation of the modification with the calibration system module.

From Jamieson/DAPHNE_V2A_wiki

Carlos G. Benítez, Anselmo Cervera, Jose Soto, Manuel Arroyave.

Plan for this integration

- Use the value from 0x7 from the T-I as a trigger.
- Minimal modifications to Jamieson's code.
- Validation of the modification with the calibration system module.
