# MORE INFORMATION

Argonne National Laboratory is a  
U.S. Department of Energy laboratory  
managed by UChicago Argonne, LLC.

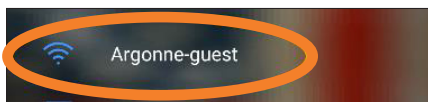

# CONNECTING TO WI-FI

## Wireless Network Guest Registration

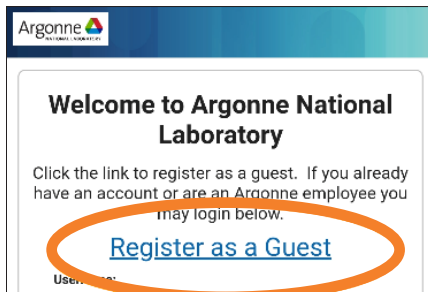

1

### Register as a guest.

1. Open the list of available wireless networks on your device.
2. Select **Argonne-guest**.

3. Once selected, click "Register as Guest" in the screen that pops up.

2

### Create a guest account.

1. Select **Register as a Guest** from the portal screen.
2. Fill out the information.

**Create Account**  
Provide us with some information so we can create an account for you.

First name\*

Last name\*

Email address\*

Phone number

Building where you will be located\*

Person you are visiting\*

**Register**

**Cancel**

3. The next screen displays your username and password. Save them for future use. *Your username and password will also be sent to the registered email account.*

3

### Log on with Argonne credentials.

You should now be able to connect to the Argonne-guest Wi-Fi network using the credentials given to you.
