- ...and much, much more...

## London

- in less than 2 hours

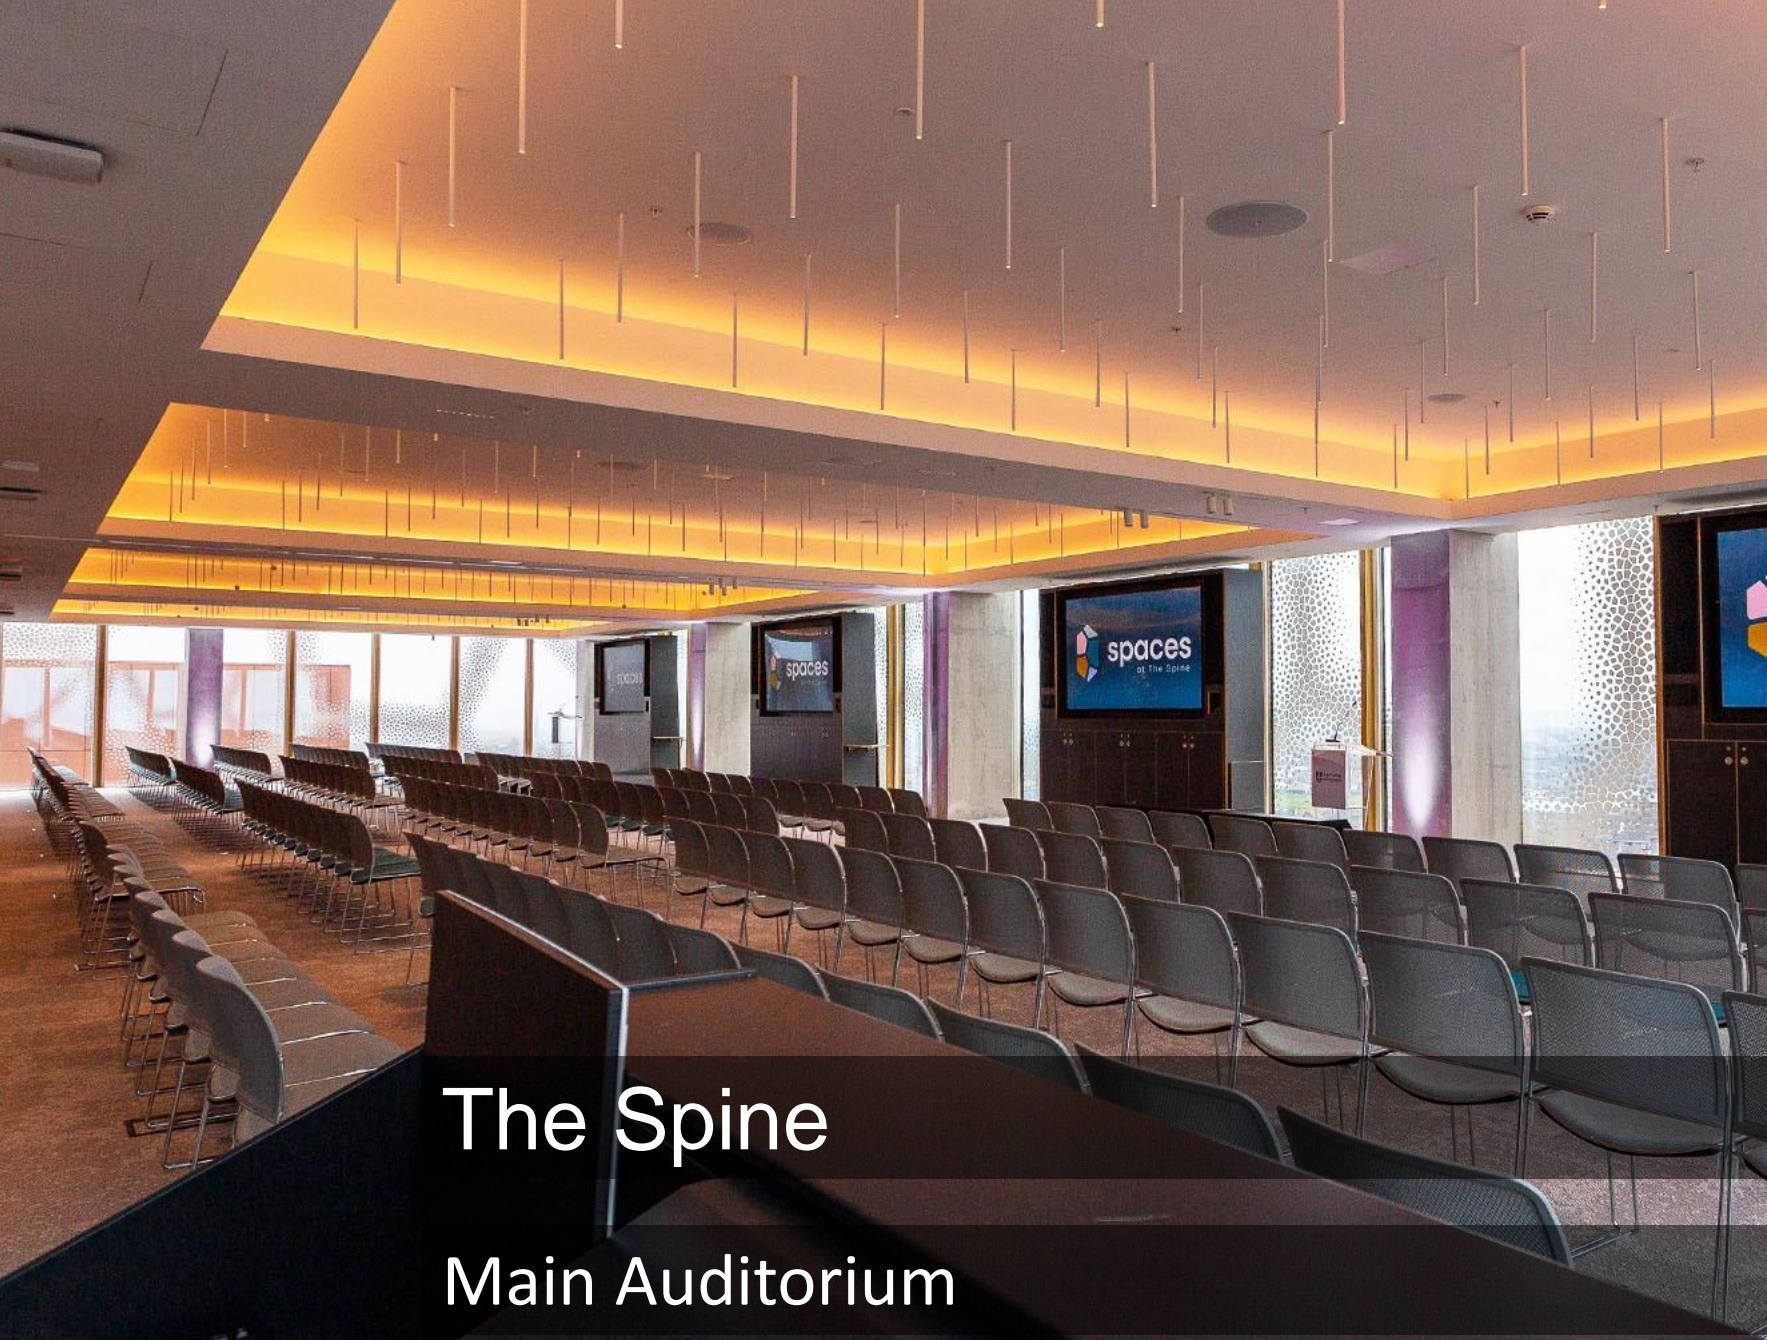

A wide-angle photograph of the University of Liverpool's Central Campus. The central focus is the iconic red brick building with a tall, ornate clock tower and several spires. To the left, a modern building with a curved glass facade is visible. The foreground shows a paved plaza with people walking and sitting on benches. The sky is blue with scattered white clouds.

University of Liverpool  
Central Campus

The Spine  
Main Auditorium
