

## Fermilab Users Executive Committee Report

Jane Nachtman (University of Iowa)

Annual Fermilab Users Meeting

10 July 2024

# 2023-24 Users Executive Committee

# What is the purpose of the UEC?

## Users Organization Constitution ([uec.fnal.gov](http://uec.fnal.gov))

June, 2011

This is an organization of scientists and engineers currently engaged in advancing our understanding of the nature of matter and energy. These Users anticipate needing significant resources from the Laboratory to conduct basic research in particle physics, astrophysics, the development of accelerators and their inter-relationship. Its purpose is to provide **a forum for discussion of scientific and administrative matters relevant to the organization and functions of the Laboratory.** In particular, it should play an important advisory role in determining the **relationship of outside Users to the Laboratory and the support they will have in implementing their experimental programs.**

We are here to serve you !
