

International Muon Collider Collaboration: Demonstrator Workshop

Wednesday, 30 October 2024

Magnet Technology Application to Cooling - One West (15:30 - 18:00)

time	[id] title	presenter
15:30	[12] Magnet R&D in Japan	AWAJI, Satoshi
16:00	[13] US high field magnet programme and application to cooling	GOURLAY, Stephen
16:30	[14] Magnet development for cooling in Europe	STATERA, Marco
17:00	[15] Development of Radiation-Tolerance SC Magnets - COMET and a Future Muon Source	YOSHIDA, Makoto
