

International Muon Collider Collaboration: Demonstrator Workshop

Thursday, 31 October 2024

RF Technology Application to Cooling - One West (09:00 - 10:30)

time	[id] title	presenter
09:00	[17] Design of Cavities for Cooling	BARBAGALLO, Carmelo
09:30	[18] Design of RF structures for the Demonstrator	GIOVE, Dario
10:00	[19] RF Source for the Demonstrator	SYRATCHEV, Igor

RF Technology Application to Cooling - One West (11:00 - 12:30)

time	[id] title	presenter
11:00	[20] RF studies at SLAC and application to cooling	NANNI, Emilio
11:30	[21] RF studies at Fermilab and application to cooling	BELOMESTNYKH, Sergey
12:00	[22] RF studies at LBNL and application to cooling	LUO, Tianhuan
