News

- **FERRY Downtime**
  - FERRY will be down Tuesday morning ~9:30 to be upgraded to v2.3.0
  - This release supports moving from the CERT to JWT
  - Anyone using the methods *getGridMapFile* and *getGridMapFileByVO* will need to change their clients to move to JWT
  - By default, the methods outputs are not changed, you must add the jwt flag to get the new data
  - All details are provided in a July talk which can be referenced here: https://docs.google.com/presentation/d/1d6QEK52B0FNMPy1UbDBQtd0SPJy2LkzRupDeGkhqm80/edit?usp=sharing
