# Test Beam for next year

- With fire @ the Fermilab power sub-station, test beam in 2025 unsure
  - DESY has opened calls for next year
  - I will propose
    - Single Crystal tests
      - Feb 17 - Feb 24 (week after CMS week, around when we asked for FNAL time)
      - or
      - Jun 16 - 23 (week after CMS week)
    - Matrix tests
      - Fall? Not sure if it will go out that far
  - Let me know if there are strong reasons for or against these weeks

# HFCC Calorimetry DR Community planning

- Supposed to have a meeting this week/next
  - Fill out this when2meet: <https://www.when2meet.com/?27138885-AcnoO>
  - OR follow-up with me offline
- I know our grant proposal is in, but please let me know for critical FY25 asks NOT in the proposal (ie, new groups like Buffalo)
