

# LET'S SUM UP

J. Rosner – “Snowmass on the Mississippi” – August 5, 2013

It has been a productive meeting, thanks to:

Dan and his fantastic team

The prodigious work of conveners of subgroups and Frontiers

Panelists, agency people, and other “outside” speakers

Communication, Education, & Outreach for superb arrangements

You, the participants, for your attendance and contributions

Now we have to convey our enthusiasm in a written report

Please get your “White Papers” posted to arXiv

and your ~30-page subgroup writeups to Conveners *soon*

Conveners will favor positive statements about *your* projects

Conveners’ 30-page reports and 30-page overview: 8/31 deadline

Reading and editorial committees polish draft until 11/1  $\Rightarrow$  P5

Until then, “official” report will be today’s & tomorrow’s slides
