

Project X and TeamCenter

The image shows a splash screen for Siemens Teamcenter 8. The top left features a green header with the text "Teamcenter® 8" in white. Below this is a collage of images: a hand holding a blue folder, a car body, and a person working on a large industrial component. The top right has a grey background with the text "Siemens PLM Software". Below that, it says "You have successfully logged in to Teamcenter." and "Teamcenter will share your login information with other Teamcenter products." The bottom left contains the "TEAMCENTER" logo in green, and the bottom right contains the "SIEMENS" logo in teal. At the very bottom, there is a small copyright notice.

Project X and TeamCenter

Project X and TeamCenter

The screenshot displays the TeamCenter 8 web interface. The main content area shows the details for 'ProjectXFrontEndSSR1', including its description 'Project X - Front End Spoke Resonator' and a list of team members under the 'Team' tab. The interface includes a search bar, navigation tabs (Home, My Projects, My Worklist), and a sidebar with 'Quick Links' and 'Open Items'. The status bar at the bottom indicates 'Ready'.

Project X and TeamCenter

The screenshot displays the TeamCenter 8 user interface. The main window title is "My Teamcenter - Teamcenter 8". The menu bar includes "File", "Edit", "View", "Translation", "Tools", "Window", and "Help". The breadcrumb path is "Home > My Projects > F10002458-WELDS".

The left sidebar contains several sections:

- Search:** "Enter Item ID to search" with a search button.
- Quick Links:** Home, My Worklist, My Projects, My Links, My Saved Searches, My View/Markup.
- Open Items:** F10002458-WELDS_HE_IN-OUT_VOLUME.
- History:** Grimm, Charles J (grimm) Inbox, Tasks to Perform, ED0000588-650 MHz Beta =0.93 cavity desi, ED0000586-650 MHz BETA=0.92 CAVITY DI, Newstuff, FNAL Standard Parts.
- Favorites:** Organize.
- Getting Started:** My Teamcenter, Lifecycle Viewer, Structure Manager.

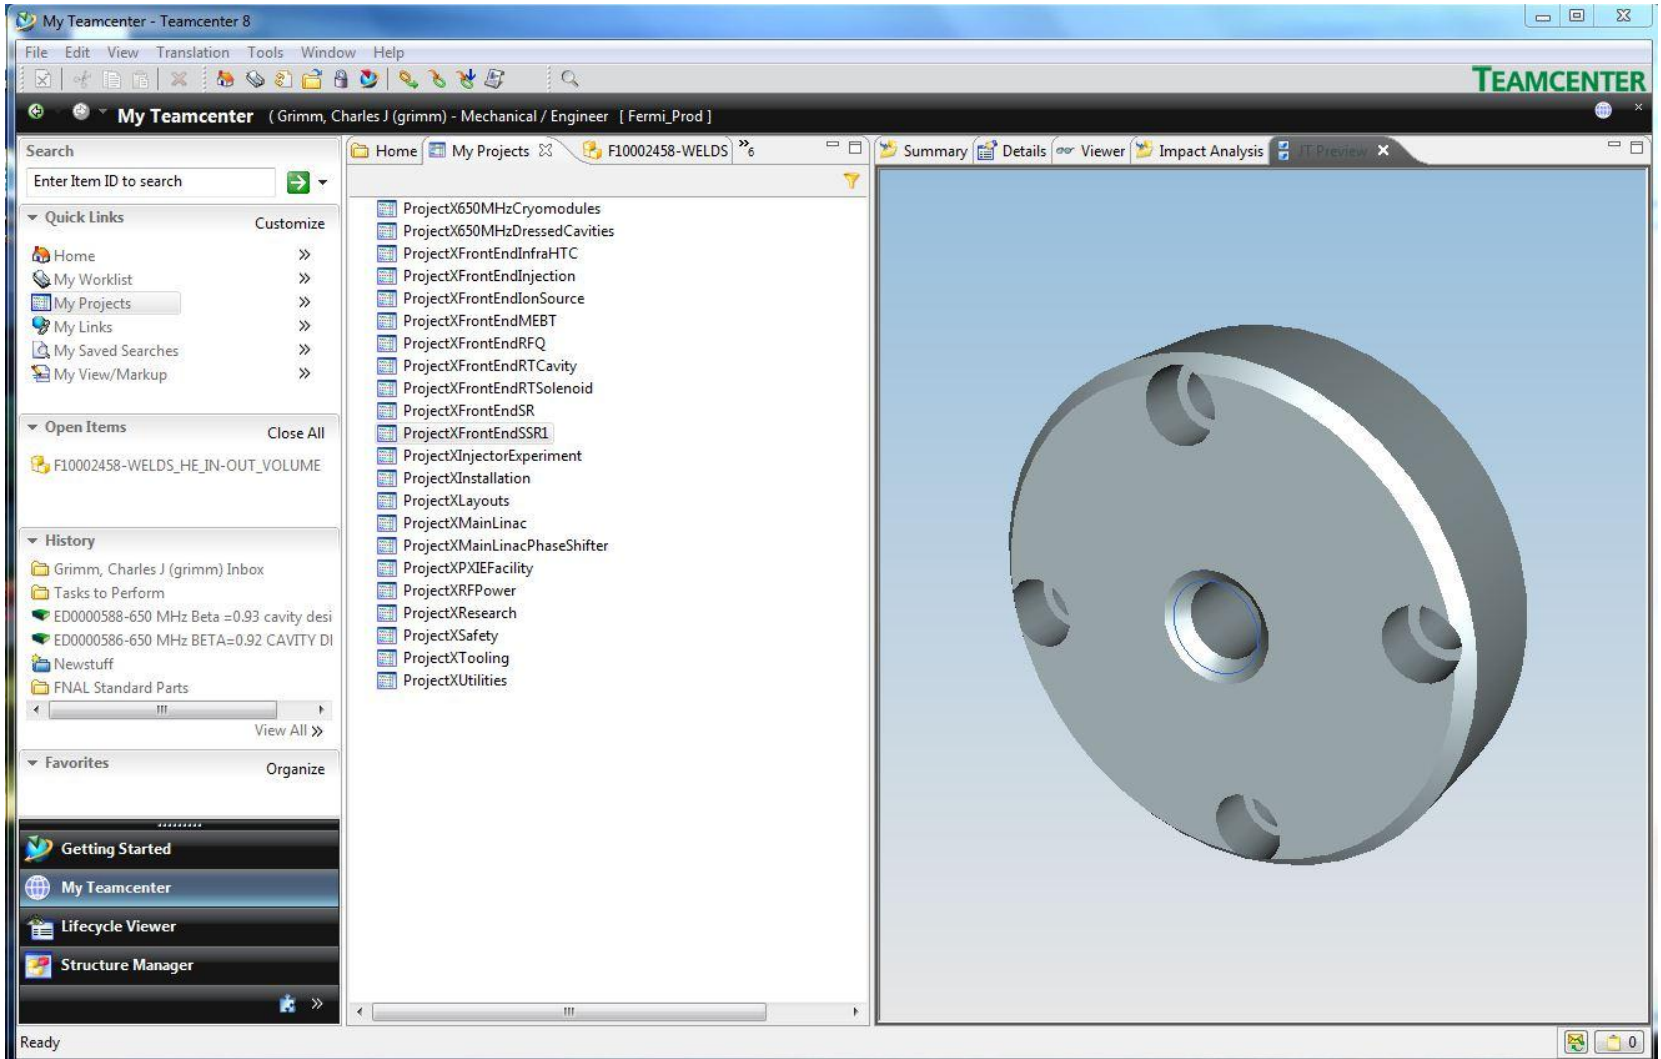

The main content area shows a list of projects under "My Projects". The selected project is "ProjectXFrontEndSSR1".

The right pane shows the "Project Data" table for "ProjectXFrontEndSSR1". The project description is "Project X - Front End Spoke Resonator".
