

Next steps in the Energy Frontier - Hadron Colliders, Workshop at LPC@FNAL

Thursday, 28 August 2014

Summary and Outlook - WH Ramsey Auditorium (09:00 - 13:00)

-Conveners: Sanjay Padhi; Meenakshi Narain

time	[id] title	presenter
09:00	[13] Summary of Accelerator Challenges and Plans	CHOU, Weiren
09:45	[14] Summary of Detector/Instrumentation developments and plans	MANNELLI, Marcello
10:30	Coffee	
11:00	[15] Physics after the LHC: Now and Future	Prof. SU, Shufang
11:45	[16] Open questions towards the definition of the physics potential and experimental requirements of a future hadron collider (tbc)	MANGANO, Michelangelo
12:15	[17] Go Big or Go Home ...	ARKANI-HAMED, Nima
12:50	[18] Closing remarks & outlook	Dr PADHI, Sanjay
