

# ICFA Mini Workshop on High Order Modes in Superconducting Cavities

## Tuesday, 15 July 2014

**WG5 - LLRF, controls and system integration (B. Chase, L. Doolittle) - One West (16:10 - 17:55)**

time	[id] title	presenter
16:10	[46] LLRF theory and vector control interaction with HOM signals	CHASE, Brian
16:30	[37] Discussion - On phase measurements at various SC facilities	
16:50	[47] HOM transfer function measurements and other topics	DOOLITTLE, Larry
17:10	[38] Discussion - On HOMs and tuning	
17:30	[33] Discussion - Design approaches to HOM receivers (B. Chase, L. Doolittle)
