Session 1: Motivation: Using Neutrino Interactions to Search for New Physics - 1 West (09:15 - 10:55)

time	[id] title	presenter
09:15	[1] Why understanding neutrino interactions is important for oscillation physics	WALTER, Chris
09:45	[2] Why understanding neutrino interactions is important for Beyond-SM physics	LUNARDINI, Cecilia
10:15	[3] Why understanding neutrino interactions is important for astrophysics	MCLAUGHLIN, Gail
10:45	[65] Session 1 Discussion
