The OSG TWiki site and making documentation of use to users

Thursday, 26 July 2007 16:10 (15 minutes)

This talk discusses:

-What info do users need?

-How is info organized and presented on the site?

-Can users find it (is it there, and if so, is navigation adequate?)

Primary author: Ms HEAVEY, Anne (OSG Documentation / FNAL)

Presenter: Ms HEAVEY, Anne (OSG Documentation / FNAL)

Session Classification: Users' Experiences, Issues and Solutions II
