

Next NBI

10th International Workshop on Neutrino Beams and Instrumentation

NBI

15 years ago in a beam-line far, far away....

Episode I : NBI1999 (KEK)

Episode II : NBI2000 (FNAL)

Episode III : NBI2002 (CERN)

Episode IV : NBI2003 (KEK)

Episode V : NBI2005 (FNAL)

Episode VI : NBI2006 (CERN)

Episode VII : NBI2010 (J-PARC)

Episode VIII : NBI2012 (CERN)

Episode XI : NBI2014 (FNAL)

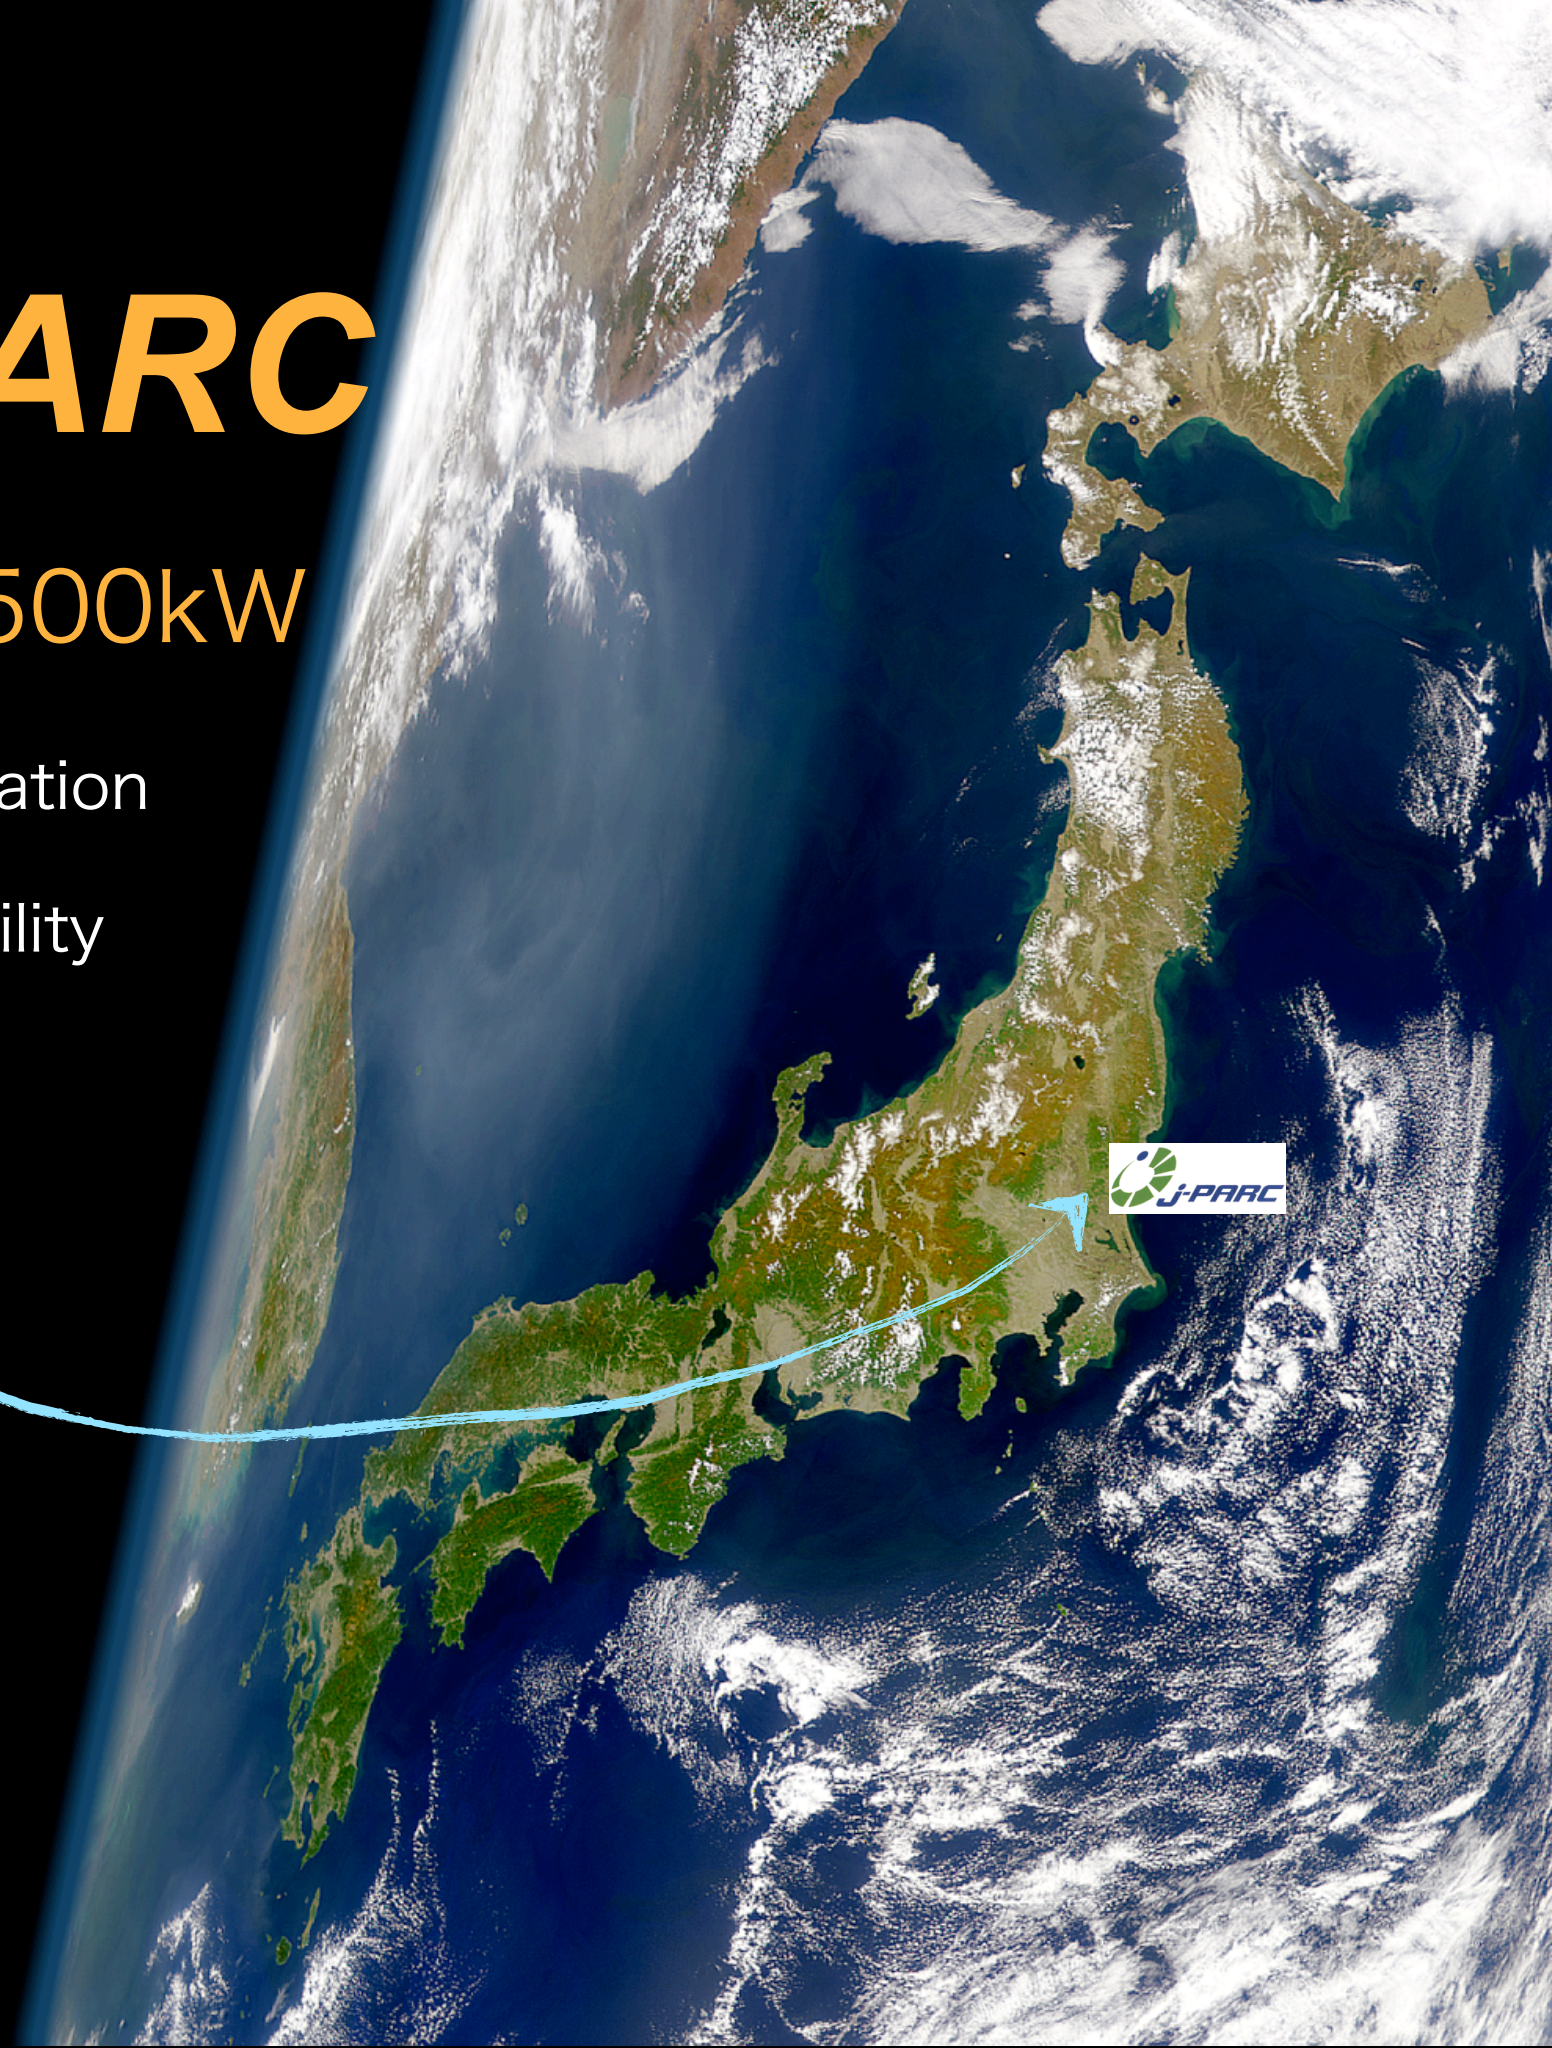

NBI 2016 @ J-PARC

Episode X: The era of $\geq 500\text{kW}$

Experience of $\sim 0.5\text{MW}$ ν beam operation

Realization of a few MW ν beam facility

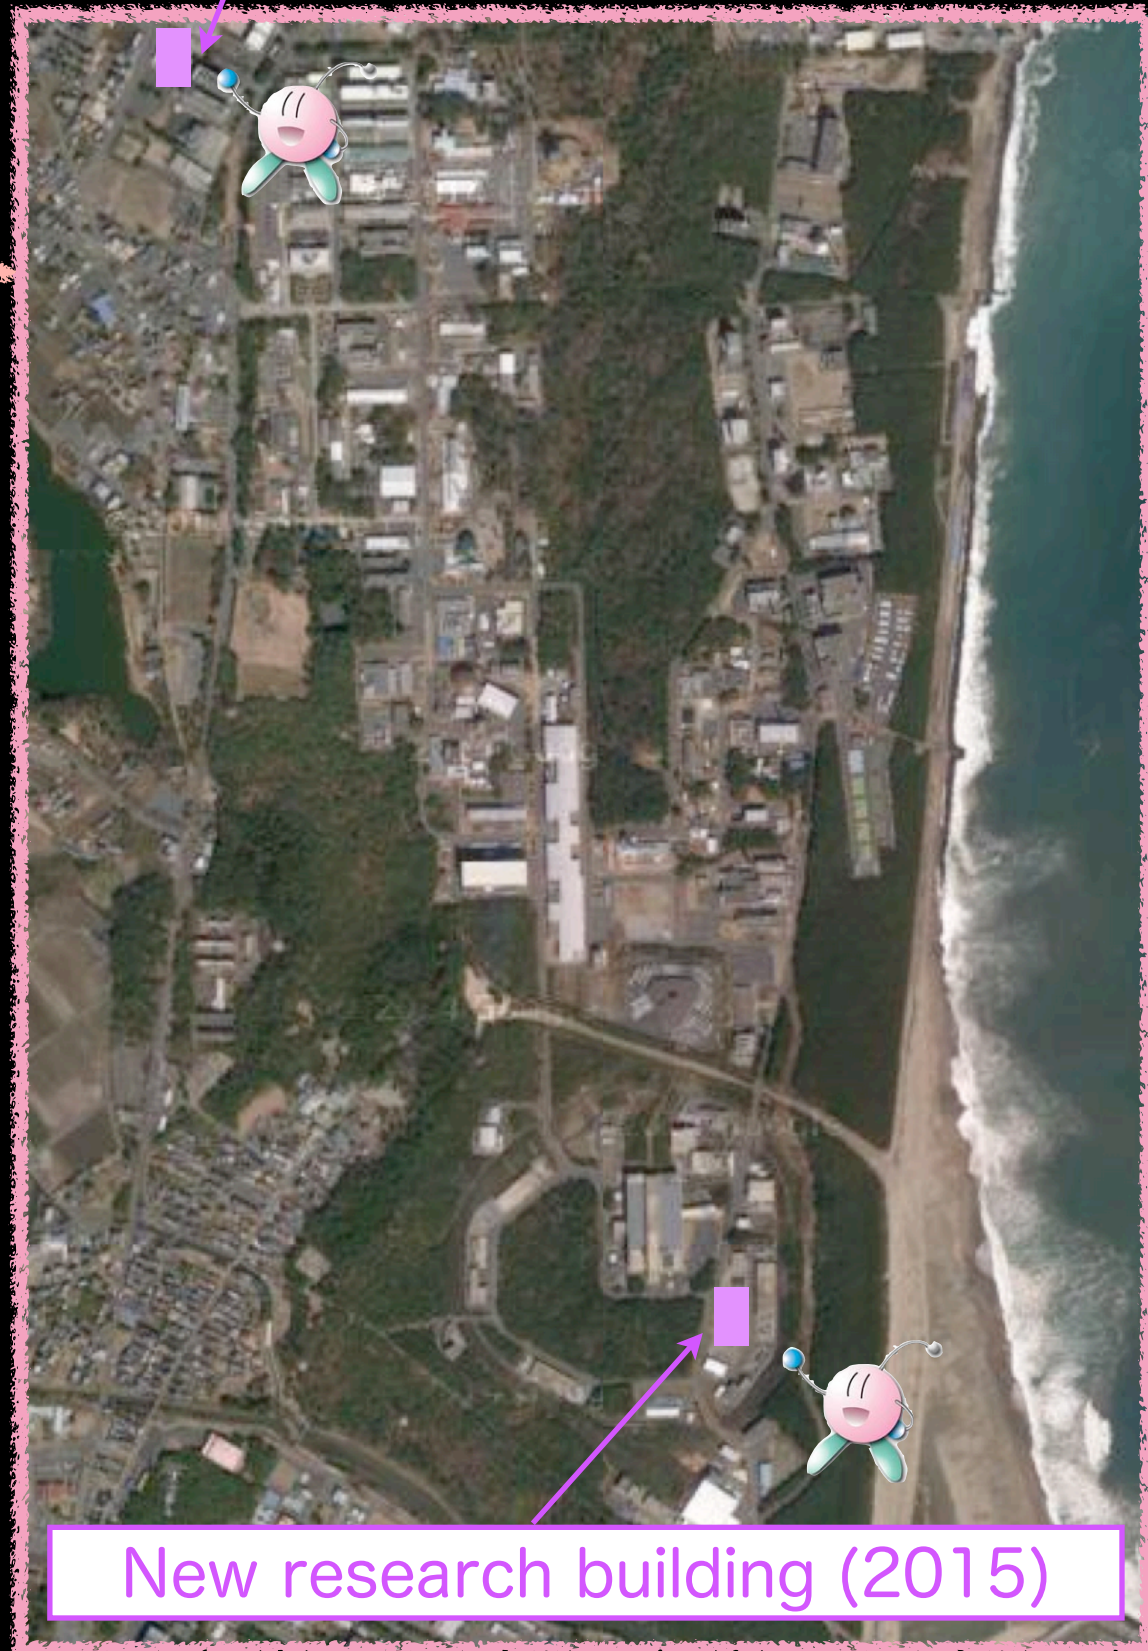

Precise estimation of ν beam flux

J-PARC @ Tokai

Extension of dormitory (2014)

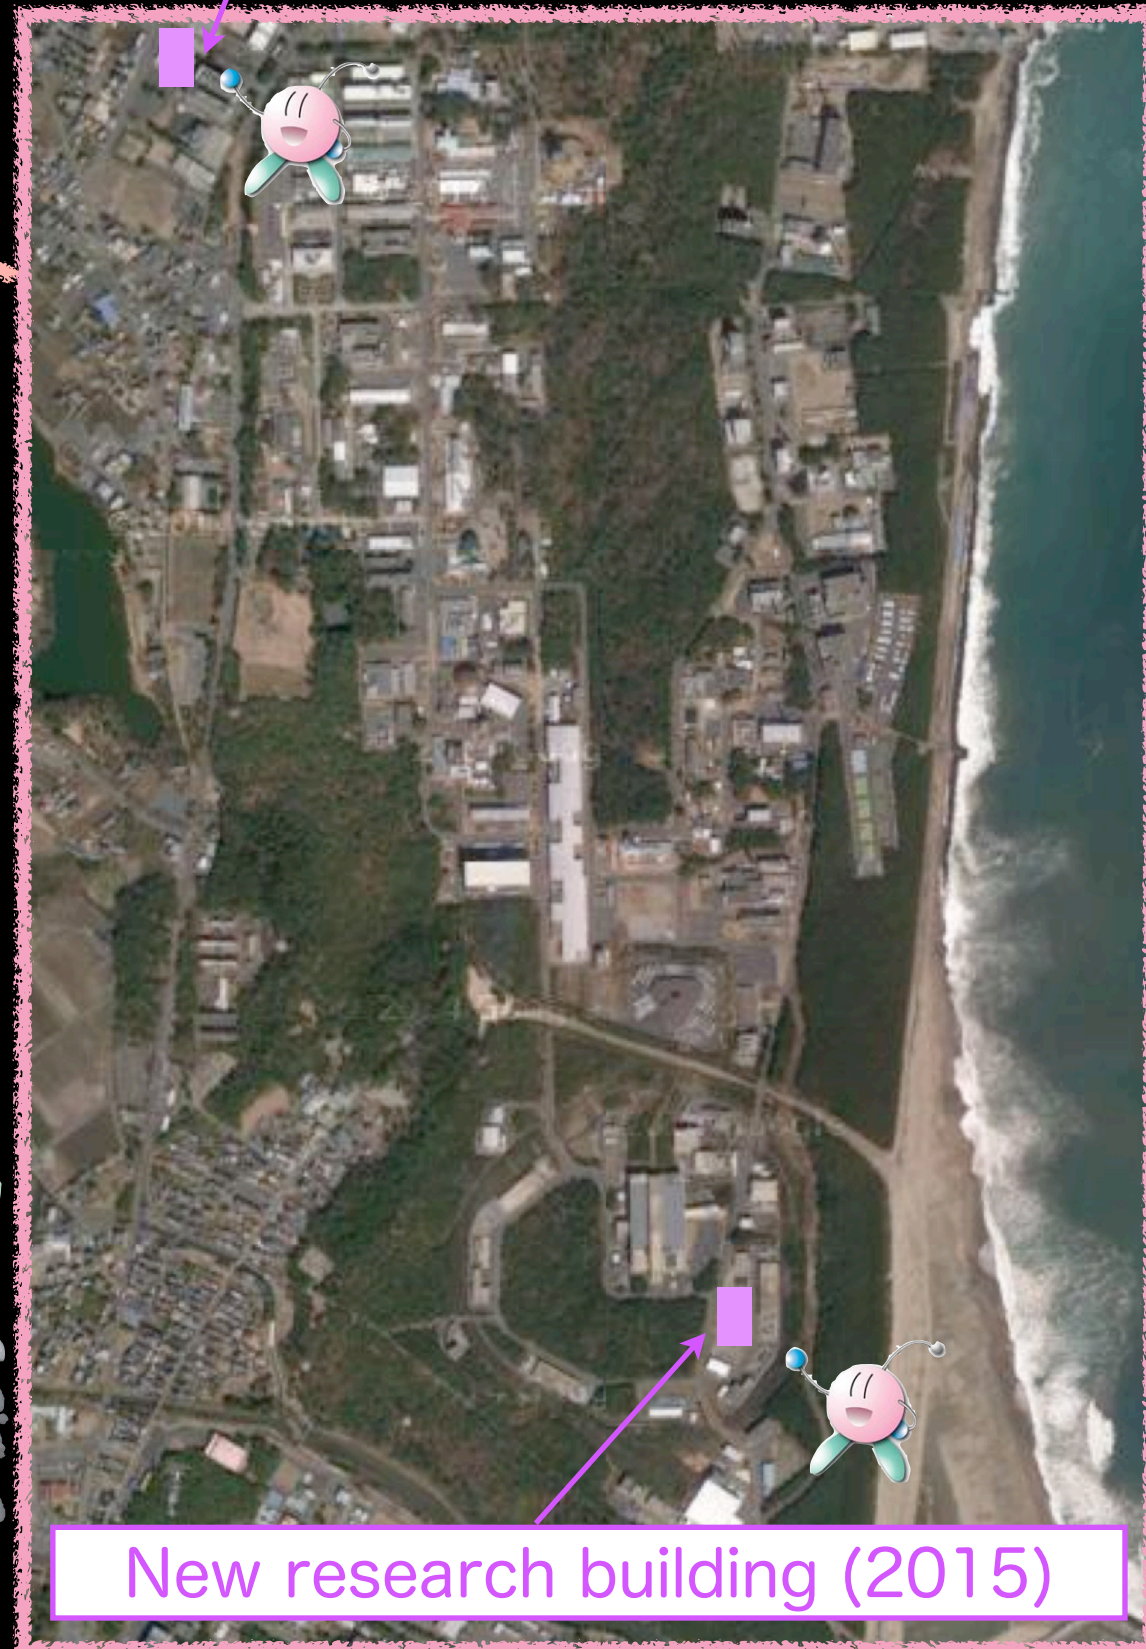

New research building (2015)

J-PARC @ Tokai

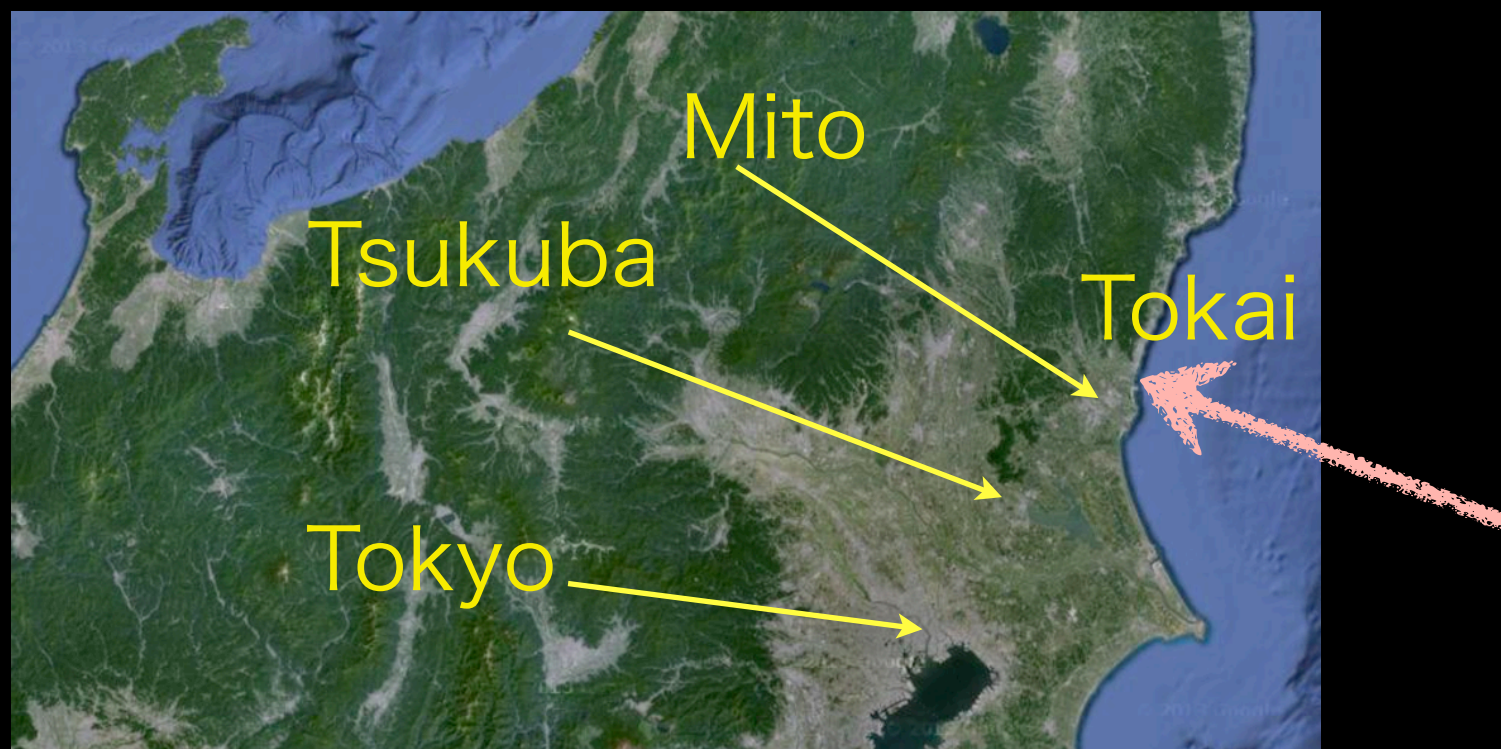

Extension of dormitory (2014)

New research building (2015)

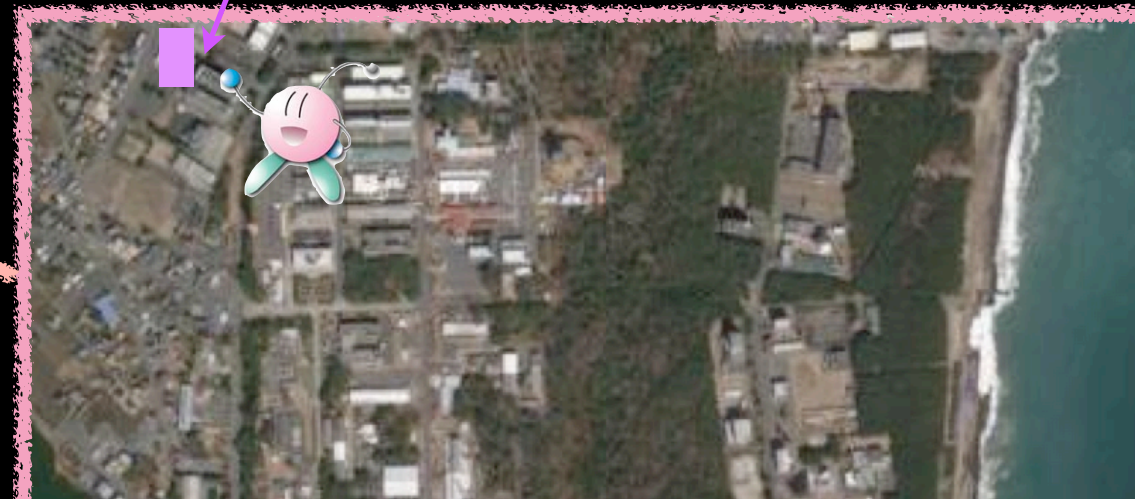

Reality doesn't look like SF....

J-PARC @ Tokai

Extension of dormitory (2014)

See you again in 2016 !!

New research building (2015)

Reality doesn't look like SF....
