

NuFact15 : XVII International Workshop on Neutrino Factories and Future Neutrino Facilities

Contribution ID: 133

Type: **not specified**

Prospects for precision of neutrino cross-section measurements over the next 10 years

Thursday, 13 August 2015 12:30 (30 minutes)

Presenter: Dr HARRIS, Deborah (Fermilab)

Session Classification: joint WG1-WG2-WG3 session

Track Classification: Working group 3: Accelerator Physics
