

NuFact15 : XVII International Workshop on Neutrino Factories and Future Neutrino Facilities

Contribution ID: 172

Type: **not specified**

Deep inelastic scattering at MINERvA

Friday, August 14, 2015 11:00 AM (30 minutes)

Presenter: BRAVAR, Alessandro (University of Geneva)

Session Classification: WG2: neutrino scattering physics

Track Classification: Working group 2: Neutrino Scattering Physics
