

NuFact15 : XVII International Workshop on Neutrino Factories and Future Neutrino Facilities

Contribution ID: 188

Type: **not specified**

SBL Reactor Experiments

Friday, 14 August 2015 15:00 (30 minutes)

Presenter: Dr MARTINEZ CAICEDO, David (Illinois Institute of Technology)

Session Classification: WG1:neutrino oscillation physics

Track Classification: Working group 1: Neutrino Oscillation Physics
