

NuFact15 : XVII International Workshop on Neutrino Factories and Future Neutrino Facilities

Contribution ID: 165

Type: **not specified**

QRPA-based calculations for neutrino scattering and electroweak excitations of nuclei

Tuesday, August 11, 2015 4:00 PM (30 minutes)

Presenter: Dr SAMANA, Arturo (Universidade Estadual de Santa Cruz)

Session Classification: WG2: neutrino scattering physics

Track Classification: Working group 2: Neutrino Scattering Physics
