

**NuInt12 : Eighth International Workshop on Neutrino-Nucleus Interactions
in the Few-GeV Region**

Contribution ID: 70

Type: **not specified**

**Consistent analysis of NC and CC neutrino
scattering off carbon**

Saturday, 13 September 2014 09:25 (20 minutes)

Primary author: Dr ANKOWSKI, Artur (INFN and Department of Physics, "Sapienza" Universita' di Roma)

Presenter: Dr ANKOWSKI, Artur (INFN and Department of Physics, "Sapienza" Universita' di Roma)

Session Classification: CC and NC quasi-elastic scattering
