

# NuInt12 : Eighth International Workshop on Neutrino-Nucleus Interactions in the Few-GeV Region

## Thursday, 11 September 2014

### Systematics (09:20 - 12:30)

time	[id] title	presenter
09:20	[62] Systematic in J-PARC/Hyper-K	Dr MINAMINO, Akihiro
09:45	[63] Systematic in LBNO (EU)	Dr WEBER, Alfons
10:10	[64] Anti-neutrino to neutrino cross section systematics	Dr ANKOWSKI, Artur
10:35	Coffee break	
11:00	[65] Systematics at a Neutrino Factory	WINTER, Walter
11:25	[66] New cross-sections at the recently proposed nuSTORM experiment at Fermilab	MORFIN, Jorge G.
11:50	[67] Impact of systematic uncertainties for the CP violation measurement in superbeam experiments,	Dr MELONI, Davide
12:15	[68] Discussion
