

## **B<sub>c</sub> spectroscopy at ATLAS**

*Wednesday, 20 May 2015 11:50 (20 minutes)*

We present latest results from the ATLAS experiment on B<sub>c</sub> spectroscopy, including branching fraction measurements of  $B_{c^{++}} \rightarrow J/\psi \pi^+ \pi^+$  and  $B_{c^-} \rightarrow J/\psi D_s^*$  and observation of the B<sub>c</sub>(2S) state.
