

The 7th International Workshop on Charm Physics (CHARM 2015)

Monday, 18 May 2015

Production - B/C, McGregor (15:30 - 17:00)

-Conveners: Abhijit Majumder

time	[id] title	presenter
15:30	[52] Theoretical aspects of quarkonia production in vacuum	Dr BODWIN, Geoffrey
16:00	[19] Study of inclusive charmonium production in e^+e^- annihilation and B decays at BaBar	Prof. SOKOLOFF, Michael
16:20	[123] Studies of P-wave and S-wave quarkonium production with the CMS detector	Dr YI, Kai
16:40	[45] Conventional and exotic charmonium production at the ATLAS experiment	Dr YABSLEY, Bruce
