

Sustainable Nanotechnology Conference 2015

Contribution ID: 83

Type: **not specified**

The meaning of Characterization, and Biological Identity

Wednesday, 11 March 2015 12:20 (20 minutes)

Presenter: DAWSON, Kenneth (Centre for BioNano Interactions, University College Dublin)

Session Classification: 5B Tracking NM in complex matrices

Track Classification: Parallel session 5B: Tracking NM in complex matrices
