

# Sustainable Nanotechnology Conference 2015

## Tuesday, 10 March 2015

### 4A Recycling & Waste Management - Breakout 1 (14:40 - 16:40)

time	[id] title	presenter
14:40	[61] Waste management of ENM-containing solid waste in Europe	HEGSELUND, Laura
15:10	[8] Flows of engineered nanomaterials through the recycling process in Switzerland	CABALLERO GUZMAN, Alejandro
15:30	[63] Nanoproducts: What is Actually Available to European Consumers?	HANSEN, Steffen Foss
16:00	[1] Stochastic fate analysis of engineered nanoparticles during release processes e.g. in an incineration plant	GOTTSCHALK, Fadri
