

Sustainable Nanotechnology Conference 2015

Tuesday, March 10, 2015

3A Safer by design products, production and processes - Breakout 1 (11:00 AM - 1:00 PM)

time	[id] title	presenter
11:00	A46 Sustainable Nanocatalysts for Fuel Cells and Splitting Water: MetalFree, HeteroatomDoped Carbons and Noble Metal Free Oxides	ASEFA, Tewodros
11:30	A46 Nanomaterials and Nanotechnology Firms in Europe: A Typology	MULLINS, Martin
12:00	P47 SANOWORK: towards a "Safety by Design" management of nanomaterials	ORTELLI, Simona
12:30	P48 Assessing the potential risks of silver nanoparticles in antimicrobial applications, using miniaturized flow field-flow fractionation and multi-angle light scattering	MARASSI, Valentina
