

# Sustainable Nanotechnology Conference 2015

## Monday, 9 March 2015

### 2C Industrial decision support tools (16:30 - 18:30)

time	[id] title	presenter
16:30	[38] Conceptual framework for Sustainable Nanotechnologies Decision Support System (SUNDS)	SUBRAMANIAN, Vrishali
16:54	[39] LICARA - guidelines for sustainable competitiveness of nanoproducts	SOM, Claudia
17:18	[40] Processing Nanoparticles in Suspension of High Solid Concentration: On-line Characterisation and Process Modelling	OKSEL, Ceyda
17:42	[41] Broadening our view on nanomaterials: highlighting potentials to contribute to a sustainable materials management in preliminary assessments	WIGGER, Henning
18:06	[42] Anticipatory Ethics and Governance [AEG]: a Jurisprudential approach	HESTER, Karena
