

Sustainable Nanotechnology Conference 2015

Wednesday, 11 March 2015

Plenary Lecture 5 - Surface affinity: a functional assay for quantifying nanoparticle behavior in complex systems (09:15 - 09:40)

time	[id] title	presenter
09:15	[74] Surface affinity: Applications of a functional assay for quantifying nanoparticle transport, aggregation, transformation and bioüptake in complex systems	WIESNER, Mark
