

Sustainable Nanotechnology Conference 2015

Wednesday, March 11, 2015

5A Safer by design products, production and processes - Breakout 1 (11:00 AM - 1:00 PM)

time	[id] title	presenter
11:00	AM Preparing Nanostructured Membranes from Benign and Naturally-occurring Reagents	YAZGAN, Idris
11:30	AM NANoREG's Safe-by-Design Concept	MICHELETTI, Christian
12:00	PM Research in Sustainable Synthesis of Nanomaterials: An overview	KARN, Barbara
12:30	PM Safer by molecular design applied to industrial case studies	COSTA, Anna Luisa
