

MAP 2015 Spring Collaboration Meeting (MAP15)

Tuesday, 19 May 2015

Invited Seminar - Curia II-WH2SW - Wilson Hall 2nd fl South West (16:00 - 17:00)

time	[id] title	presenter
16:00	[73] A rectilinear channel for six-dimensional muon cooling towards micron-scale emittances	Dr STRATAKIS, Diktys
	- [1] discussion	
16:30	[74] RF technology demonstrations for future cooled-muon accelerators	BOWRING, Daniel
	- [1] discussion	

Friday, 22 May 2015

Invited Seminar (16:00 - 17:00)

time	[id] title	presenter
16:00	[5] MICE and the Next Generation of Muon Beams for Particle Physics	Prof. LONG, Kenneth
