

The 26th International Workshop on Weak Interactions and Neutrinos  
(WIN2017)

Contribution ID: 57

Type: **Working Group Sessions**

## Searching for new physics in the neutrino sector

*Tuesday, 20 June 2017 12:40 (20 minutes)*

I will review the motivation for the existence of new physics in the neutrino sector and some approaches for searching or constraining such new physics with present and future data.
