

The 26th International Workshop on Weak Interactions and Neutrinos
(WIN2017)

Contribution ID: 115

Type: **Working Group Sessions**

Status of Big Bang Nucleosynthesis

Tuesday, 20 June 2017 11:20 (30 minutes)

I will review the present status of BBN predictions, new ab initio calculations for deuterium destruction processes and the overall compatibility of theory versus data also in light of Planck results.
