

GSA Introduction

JOSEPH ZENNAMO
SUNY AT BUFFALO

GSA OFFICERS

Brian Tice, MINERvA,
Rutgers University

Chris Prokop, ASTA,
Northern Illinois University

Alex Radovic, MINOS,
University College London

Gene Kafka, MICE,
Illinois Institute of Technology

Joseph Zennamo, DØ,
SUNY at Buffalo

OUR PURPOSE

- We are here to serve the needs of the graduate students
 - Encourage interaction between students from various parts of the lab
 - Spreading useful information to the graduate students
 - Maintaining the “Guide to Life”, and the FNALGrad listserv
 - Helping with different outreach programs
 - Act as a conduit between the graduate student population and the UEC
 - Provide some occasional fun for the graduate students

GRADUATE STUDENT RESOURCES

- Guide to Life
 - Excellent way for people new to the area to learn what is around the lab
 - The wiki format allows anyone with a FNAL email address to edit and share their knowledge and experience
 - gsawiki.fnal.gov
- FNALGrad mailing list
 - How we communicate with the graduate students
 - Find out what is happening around the lab
 - Excellent resource for buying and selling things

NEW GSA WEBPAGE

- The old GSA webpage has been updated
- Further improvements are in the works!

Fermilab Today

Welcome to the new GSA Website!!!

The old site is still available [here](#)

New Perspectives 2012

Today June 2012 Week Month Agenda

Sun	Mon	Tue	Wed	Thu	Fri	Sat
27	28 Memorial Day	29 John F. Kenne	30	31 12:30pm Grad S	Jun 1	2
3	4	5	6	7 12:30pm Grad S	8	9
10	11 9am Tevatron S	12 9am Fermilab U	13 9am Fermilab U	14 Flag Day +2 more	15	16
17 Father's Day	18	19	20	21 11:45am Fermilab 12:30pm Grad S	22	23

The screenshot shows a sidebar on the left with buttons for 'E-Mail GSA', 'Show Calendar', 'Fermilab GSA', 'FNALGRAD', and 'Fermilab Today'. The main content area has a blue header with navigation links: 'About the GSA', 'Events', 'Guide to Life', 'Outreach', 'Jobs', and 'Useful Links'. Below the header is a yellow 'Hide Menu' button. The main content area features a central welcome message, a link to the old site, and a yellow button for 'New Perspectives 2012'. Below this is a calendar for June 2012 with various events listed. On the right side, there are three vertical images: a person in a green shirt and white hard hat, a large particle detector, and a close-up of a particle detector component.

Washington, D.C. Trip

- Annual trip to Washington to meet with members of Congress to discuss the importance of investing in Fermilab and the rest of the field

Thanks to
Joe Grange
for filling in
for me!

GRADUATE STUDENT TALKS

- Poster Session and Banquet in the Atrium
 - Today, 5:45pm – 7:45pm
 - Food and drinks will be served
- Weekly Chalk Talks - Thursdays at 12:30
 - Organized by Farinaldo Queiroz and Rito Basu Thakur
 - Various topics discussed in an open environment
 - Always looking for speakers
 - If you are interested email : gsa_officers@fnal.gov

RECREATION

- Various “for fun” sports leagues
 - Ultimate Frisbee
 - Monday and Wednesday at 5:00pm at the soccer field in the village
 - fermiultimate@fnal.gov
 - Fermilab soccer
 - Tuesday, Thursday, and Friday at 5:00pm at soccer field in the village
- Discounted gym membership for graduate students
 - Check the recreation page for more information
- Fermilab triathlon
 - More information to come!

...Something a little different

- The annual Halloween Party
 - A tradition at Fermilab
- We try to provide an outlet for the graduate students at the lab
 - Other activities where we can relax and get to know people from across the lab
 - Pizza nights at the Users Center
 - Dinners at local eateries
 - Quiz night at a local restaurant

NEW PERSPECTIVES

- The annual conference for young physicists to talk about their research
- Going to be held Thurs. June 14th here in the auditorium
 - Starts at 8:00am goes until 5:30pm
- This year we have 33(!) speakers with an equal mix between the energy and intensity frontier
 - More speakers than previous years
 - Next year may benefit from being extended an extra day
- BBQ to follow (at 6:00pm) at the Kuhn Barn
